You will be presented with the license registration screen. Enter the details that were emailed to you.

A screenshot of the "Register License" application window. The title bar says "Register License". The main content area features the "SociVidz" logo in a large, bold, black font. Below the logo are three input fields: "Customer Name" with the text "Exact Name On License", "Email ID" with "email@license.com", and "License ID" with "EXAMPELLICENSEID12324ABC". At the bottom of the window, there are two buttons: "REGISTER" and "CANCEL".

Please enter the name, email and license id exactly the same as in the license email. If any line is not exact or contains spaces at the beginning or end, this will make the registration fail. After you enter your license details and double checked they match, please click on the Register button.

**Note: You can create an icon for the software on your desktop by right clicking on exe with your mouse. Hold down the button and drag it to a blank space on your desktop. Let go of the right mouse button and click on 'Create Shortcut'**

Please also give the software permission to access the internet through your anti-viurs / firewall software. Any warnings are just false positives and set it to not block access.

In Windows 8.1, you will need to click more and then click on the Run Anyway.
